WORK EXPERIENCE

Senior Frontend Developer | MMCoding Lingo
https://mmcodinglingo.com

May 2024 – Present
I8 Markaz ,ISB

Responsibilities

- Led the development of highly interactive and responsive user interfaces for a comprehensive Learning Management System (LMS) targeting IELTS, OET, and PTE students, utilizing modern frontend frameworks and best practices.
- Engineered dynamic and engaging features for the LMS, focusing on intuitive user experience (UX) and visually appealing user interfaces (UI) across various devices.
- Collaborated closely with UI/UX designers to translate wireframes and mockups into pixel-perfect and highly functional web applications
- Integrated front-end components with back-end APIs to facilitate real-time data processing and seamless content delivery within the LMS.

Frontend Developer | CodingIbex
https://codingibex.com

June 2024 – Nov 2024
(Remote) Canadian Company

Responsibilities

- Developed and deployed **responsive, scalable user interfaces** using **React, Next.js, and Material-UI (MUI)**, integrating with **REST APIs**.
- Optimized frontend performance for fast load times and smooth user interactions, focusing on client-side efficiency and responsiveness across various devices.
- Worked with cross-functional teams to design and implement new features.
- Maintained **high code quality** through rigorous testing, code reviews, and adherence to frontend best practices, ensuring maintainability and scalability of user-facing applications.

Frontend Developer | WJIKS IT Solutions
https://wjiks.com

Jan 2024 – Jul 2024
Islamabad

Responsibilities
- Developed and deployed **responsive web applications** using **TypeScript, and Next.js**, translating complex UI/UX designs into functional user interfaces.
- Contributed to **OwlSense (OSINT Monitoring and Analysis Software)** by designing and implementing frontend components with **Material-UI, React, Next.js, and TypeScript**, and integrating **Amcharts for data visualization**.
- Built and optimized **WordPress websites**, focusing on enhancing performance and SEO.
- Collaborated closely with **UI/UX designers** to ensure pixel-perfect and intuitive user experiences across various projects.

Frontend Developer Internee | NRSoft

AUG 2023- JAN 2024 (Onsite)
Islamabad

Responsibilities

- **Assisted in the development of user interfaces** for web applications using modern frontend technologies
